

# RESILIENT COAST

DOUGLAS SHIRE COUNCIL

## Workshops wrap-up

The final round of workshops for the Resilient Coast program was held over October 30th – November 1st 2018.

The workshop program included:

- The Project Working Group
- Session with Council Planners
- The Stakeholder Advisory Group
- Community session 1: Mossman
- Community session 2: Cape Tribulation
- Community session 3: Port Douglas (afternoon)
- Community session 4: Port Douglas (evening)
- Douglas Shire Disaster Management Group briefing.

The Resilient Coast project team would like to thank everyone who participated in a workshop. Feedback on coastal values, local interests and issues is a valuable input into the process of understanding the risk of coastal hazards (erosion, storm tide inundation) and exploring suitable adaptation options.

Over the period of May – November 2018, over 200 participants have shared their thoughts and ideas towards building a Resilient Coast for Douglas Shire. Feedback has been gathered via workshops, online surveys, email and phone calls. A final survey is now available on the website.

If you would like to provide any additional feedback please visit the website or email [ourcoast@douglas.qld.gov.au](mailto:ourcoast@douglas.qld.gov.au).

## Final survey

A second and final survey for the Resilient Coast program is now available to complete.

The survey seeks input on what you value specifically about your local beach/foreshore, and perspectives on adaptation options.

**Please visit the survey link:**

[https://www.surveymonkey.com/r/Douglas\\_Survey\\_2](https://www.surveymonkey.com/r/Douglas_Survey_2)

## How can I find out more information?

To ensure you are kept up to date with the Resilient Coast program and the development of the Coastal Hazard Adaptation Strategy (CHAS):

- ✓ **Register** to receive regular progress updates and notifications of community workshops by going to <https://ourcoast.douglas.qld.gov.au> and click on the 'Register here to receive project updates' button
- ✓ **Ask** Council or their experts questions about coastal hazards or the CHAS process by emailing [ourcoast@douglas.qld.gov.au](mailto:ourcoast@douglas.qld.gov.au).

## Next steps

The Resilient Coast draft Coastal Hazard Adaptation Strategy is now being developed, and will be refined in consultation with Douglas Shire Council and the Stakeholder Advisory Group in December 2018. The strategy will be available for public comment by early 2019.
